SCHREIBER WINE ESTATE

The Schreiber Wine Estate is a family-owned winery looking back on more than 500 years of wine tradition and experience. The grapes are grown on the terroir of the Klausenberg in Rheinhessen. The loam soil and sunshine conditions let the grapes reach full ripeness and balanced acidity allowing for an excellent harvest quality under the watchful eyes and generations of experience. Dr. Andreas Schreiber, noted viticulturist and winemaker currently manages the estate with his father Hans-Helmut Schreiber. Their emphasis on quality and preserving the vineyard's natural conditions for generations is their philosophy for producing excellent tasting wines.
